Serial No. 09/921,303  
December 8, 2003

## **REMARKS**

Entry of the present amendment and favorable reconsideration and allowance of this application are requested.

By way of the amendment instructions above, claim 1 has been further revised so as to cure the informality raised under 35 USC §112 and to include therein the substance of allowable claim 11. As such, claims 10 and 11 have been cancelled as redundant.

The typographical error in claim 73 helpfully noted by the Examiner has also been corrected.

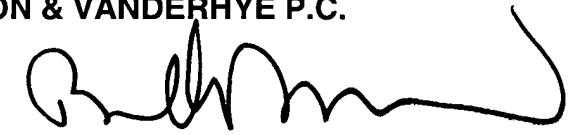

It is therefore believed that the present amendment is properly entered under 37 CFR §1.116 since the subject application will then be placed in condition for allowance. Official notice to that effect is solicited.

However, in the event that certain small matters remain outstanding, the Examiner is encouraged to telephone the applicants' undersigned attorney so that the same may be resolved without the need for an additional written action and reply.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
